GENEX LASER FACIAL - \$450

Exclusively created by Dr. Vasily + Staff

The GenEx Laser Facial combines Genesis Laser, SkinStylus microneedling, and Exosomes for a non-invasive, no-downtime treatment that improves tone, texture, pores, and overall skin health.

PCA PEELS - \$185

Our PCA Peels are professional chemical peels that use a customized blend of acids to exfoliate dead skin, revealing brighter, smoother, and more even-toned skin underneath. It is designed to treat various skin concerns, including fine lines, acne, dark spots, and sun damage, by stimulating new cell growth and collagen production. Delivering a smooth, refreshed complexion you can see and feel.

WAXING SERVICES

Full Face	\$50

IPL PHOTOFACIAL

Intense pulsed light is used to improve the appearance of sun damage, brown spots, redness, and uneven skin tone, leaving skin looking clearer, brighter, and more even.

Full Face..... \$405

RUBY LASER

Uses targeted laser energy to reduce the appearance of unwanted pigmentation, including brown spots, freckles, and sun damage, helping create a more even and refreshed complexion.

Starting at..... \$235

HELIX LASER

The Helix laser is a next-generation hybrid skin resurfacing treatment that combines fractional ablative and non-ablative laser wavelengths in a single device. The system features three distinct treatment settings including, **CoolPeel**, **Sultra**, and **Fusion** that are tailored to your goals and available recovery time.

Starting at..... \$500

NEOGEN PSR

NeoGen Plasma rejuvenates the skin by stimulating collagen and elastin production to improve firmness, texture, and overall skin quality.

Starting at..... \$310
